

SCCYSC U6 Rules (Club-Modified Rules For Under 6)

U6 Parents and Coaches:

I hope you are looking forward to the first game of the season!

U6 is a special time in the development of your child. The kids are there to play and learn.

Please take a moment to review our Modified Rules for U-6 so you can support the Coaches and Players.

SCCYSC Modified Rules for U-6

No Referees are assigned to U6 games; Coaches from both teams work together to run the game. A whistle is helpful to stop plays at the quarters.

There are four 8 minute quarters.

4 players on the field.

Substitutions are at the quarter breaks unless there is an injury or collapse.

No throw-ins, corner kicks or goal kicks.

Parents and coaches help to keep the ball on the field, and clear the ball out of the box area if it goes out over the end lines. Parents tap the ball back in to keep play going.

No off-sides will be called.

Kickoffs from the center to start each quarter. Coaches should facilitate quick restarts at the half line after goals. We want the game to be about maximizing playtime.

Switch directions at the half.

Teams may provide snack at halftime and a treat at the end of the game.

Players should be wearing shin guards and cleats, and should have their own water bottles.

Players play,
Coaches coach,
Parents cheer.

If you find yourself feeling upset or frustrated, please take a deep breath.

Cheer good play by all players on both teams, and after the game, tell your players how much you enjoyed watching them play.

Thank you,
